

Save with Our Summer Special

SAVE \$25 ON WELLNESS BLOODWORK

We love our pets and a wellness bloodwork screen is an excellent tool to evaluate your pet's health. Early detection and correction of medical problems will help to ensure that your best friend will have a long, healthy, and active life.

And remember, regular checkups are the perfect way to say "thank you" to your furry friend!

Bring your pet in today and save \$25!

Valid on appointments scheduled
August 1-31, 2019
